Dear Mr. Dowd:

The New Hampshire Department of Environmental Services hereby issues the enclosed Title V Operating Permit in accordance with the New Hampshire Code of Administrative Rules *Env-A 100 et seq., New Hampshire Rules Governing the Control of Air Pollution*. The Region I office of the United States Environmental Protection Agency has completed its final review of the proposed Title V Operating Permit and does not object to its issuance. This letter has no effect on the time frame for citizen petitions. The period for a citizen's petition shall expire on August 20, 2010.

In addition, enclosed please find a questionnaire distributed by the Department of Environmental Services, Public Information and Permitting Unit. We are constantly trying to improve our permit processing and your feedback is greatly appreciated. If you have any questions regarding either the Title V Operating Permit or the questionnaire, please contact **Padmaja Baru** at (603) 271-0905 or via e-mail at [padmaja.baru@des.nh.gov](mailto:padmaja.baru@des.nh.gov).

Sincerely,

Robert R. Scott  
Director  
Air Resources Division
