**Re: Proposed Title V Operating Permit for NAEA Newington Energy, LLC
200 Shattuck Way, Newington, New Hampshire
Facility Identification # 3301590793; Application #s FY03-0331 & FY06-0114**

Dear Mr. Douglass:

The New Hampshire Department of Environmental Services hereby issues the enclosed proposed Title V Operating Permit in accordance with the New Hampshire Code of Administrative Rules *Env-A 100 et seq.*, *New Hampshire Rules Governing the Control of Air Pollution*. As per your request dated April 9, 2010, Table 5, Item #20 of the Title V Permit was amended to reflect Newington Energy's ability to switch fuels in the combustion turbines (EU01 & EU02) above 60% load. This permit has been submitted to the Environmental Protection Agency, Region I (EPA) for review. EPA has 45 days, beginning April 19, 2010 in which to object to the issuance of the permit. If no objection is made by the end of the 45-day period, DES will issue a final permit identical to the proposed permit. If an objection is made, DES will follow the provisions as outlined in *Env-A 609.14, Department Action Following EPA Objection*.

This proposed permit represents the final action by the Director to grant this Title V Operating Permit pursuant to *Env-A 622.08, Decisions*. Any person aggrieved by the Director's final action may appeal such action in accordance with *Env-A 622.09, Appeals*. Any appeal must be filed with the Air Resources Council within 10 days of the date of this letter.

If you have any questions, please contact Padmaja Baru of the Air Resources Division, Bureau of Permitting and Environmental Health by calling (603) 271-0905 or via e-mail at padmaja.baru@des.nh.gov.

Sincerely,

Robert R. Scott
Director
Air Resources Division
